Open lecture: **“How to avoid EQE traps in paper C”**

The lecture will be in streaming via Microsoft Teams.

Friday 11 february 2022

Time: **14:00 -17:15**

Lecturer: **Dott. Stéphane Speich**

The **University Politecnico di Milano** would like to invite you to an open lecture given by **Dr. Stéphane Speich**, National and European Patent Attorney, on the following topic.

Program

Dr. Speich's lesson aims to focus attention on those points that may be most problematic in EQE, teaching how to avoid some of the typical mistakes that can be made during preparation to the exam and during the exam.

Paper C is the most difficult paper in the EQE according to the statistics. We hope that this course will help you to try to achieve a pass mark in paper C.

The lecture will be in English and intends to be particularly helpful to those intending to sit the EQE exam in March 2022.

The lesson is free of charge.
