FOR IMMEDIATE RELEASE

Greece - Athens – ESIMET which aims at the protection and development of the brand name – trademarks etc and generally for the protection and the developments of the Intellectual and Industrial Property, as an integral part of the society in which operates all those years, fully understands these tragic moments.

Consequently, the registration fees from the conference of September 22nd, will be given in favor of those affected by the fires in East and West Attica of July 2018

On behalf of the Administration
Makrydaki Maria – Gen. Director.
